9:00AM - 2:00PM
Free Virtual Event

Virtual Career Fair Opportunity - Join us in empowering young Greater Clevelanders to discover, explore and pursue rewarding careers in healthcare!

WellLink Health Alliance and Greater Cleveland Career Consortium are excited to invite you to participate in a virtual career fair and educational opportunity for high school students. We're looking for organizations to participate in a variety of ways to spark curiosity and awareness in healthcare careers.

This event is no cost for exhibitors and participants!

The Event Will Offer Students The Opportunity To:

- Discover the many career paths within healthcare and hear from industry professionals.
- Engage with organizations at virtual booths through chats or booking 1:1 meetings.
- Gain valuable insights on colleges and financial aid options.
- Interact with community organizations that offer many support services.
- Complete activities within the event space for a chance to win prizes including scholarships, computers, gift cards and more.

How Can You Participate?

We're inviting organizations and professionals to help inspire the next generation by showcasing careers, sharing educational opportunities, and connecting students with valuable community resources that will help them pursue their future goals.

Become An Exhibitor

- **Connect in real time:** Host 1:1 meetings and offer on-demand chats with students to share insights about your organization or career field.
- **Build a resource hub:** Provide students with curated videos, documents, and links that highlight your area of expertise.
- **Promote opportunities:** Share internships, job shadowing experiences, and other openings that help students take their next step.

Host A Session

- **Share your story:** Lead a brief, engaging session that offers a "day in the life" perspective, hands-on demonstrations, or practical insights into your profession.
- **Represent your field:** We welcome professionals from all areas—direct patient care, laboratory and pharmacy roles, administration, facility management, and beyond. A wide range of careers helps students see what's possible.

About WellLink

Founded in 1914, WellLink has a rich history as the nation's first regional hospital association. Convening 37 hospitals and healthcare organizations with community partners across 10 counties in Northeast Ohio, WellLink is committed to advancing total well-being by connecting people, organizations, and resources across the healthcare, economic, and social sectors. Formerly known as The Center for Health Affairs and CHAMPS Group Purchasing, WellLink brings together advocacy, education, group purchasing, and community impact under one unified mission. Through its three divisions — WellLink Health Alliance, WellLink Group Purchasing, and WellLink Innovations — the organization serves hospitals, businesses, and communities with innovative solutions that promote better health, greater opportunity, and stronger, more connected systems of care. Learn more at www.WellLinkCommunity.com.

About Greater Cleveland Career Consortium

Established in 2022, the Greater Cleveland Career Consortium—a collective of public, private, education, and nonprofit organizations—takes a comprehensive, coordinated, and community-wide approach to career exploration and readiness that empowers young Greater Clevelanders, sets them up for success, and advances regional economic prosperity. GCCC partners with school districts to include self-awareness and career-based learning opportunities for all students during the school day and connects employers with local school districts, students, and families to help build our regional workforce.
